STUDIO 33

STUDIO 33

Studio 33 is a unique location for shooting, exclusive events, music productions and cine-tv-web formats. The physical space of 250 square meters is located in the center of Trastevere in Rome, via della Paglia 33.

World-famous photographic studio since the 1980s, in 2019 it was completely renovated according to the concept and executive project by Croatian designer **Ana Gugić**, and set up in such a way as to best accommodate the interdisciplinary creative platform at the heart of Studio 33.

SPACE DIVISION:

1. Listening room and format production (110sqm)
2. 4K Laser Projection Room (12sqm screen) (110sqm)
3. Audio production studio (22mq)
4. Catering area (15sqm)
5. Hair make-up and artists' dressing room (10sqm)

Entirely soundproofed and acoustically treated, with a collection of physical and digital music titles of over 10,000 pieces, and an additional million pieces to listen to hi-res streaming.

PHOTOGRAPHY / VIDEO

Nikon and Fuji photographic equipment (also usable for video), Elinchrom flashes with accessories (banks octa, quadra, recta, beauty dish, umbrellas, parables) Lupo and Tecpro Felioni continuous lights are available at the studio.

Thanks to our partnerships, we are able to provide all types of equipment and the best brands on the market, qualified assistants, post production services, make-up, hair-stylist, stylist and set design.
