2019 EN

Welcome

For over twenty years, the Capitol Theater Duesseldorf has been a flagship for first-class live shows, renowned productions and diverse entertainment formats.

Immersed in the unique flair of a historical streetcar depot, we strive to be the perfect host for you and your guests with the same passion that we display when putting together the program for our audience day by day.

We welcome you to reach out to us at Capitol Theater Duesseldorf with your ideas and visions. Let us inspire you!

My team and I look forward to hearing from you,

Henning Pillekamp

More than just a theater.

Your Event Location

Capitol Theater – Vintage Industry Style meets Theater Flair!
As a former streetcar depot, the largest theater in town captivates you with its industrial design: brick walls, foyers with large windows and bars in subtle, darker shades convey a classic, elegant loft atmosphere.

Across a floor space of over 1.000 m^2, the foyer provides four permanently installed bars. The area can easily be divided into subsections with varying sizes from 50 to 800 m^2 and separate entrances.

The 630 m^2 of the Capitol Club are a true master of transformation. The location has hosted seated dinner events, conferences, small fairs, parties, fashion shows and photo shootings. The stage (52 m^2) is already equipped with a basic light and sound system.

Our large auditorium can host up to 1.250 guests. Individual seating sections can be removed to accommodate your needs. The large stage (210 m^2) provides spacious possibilities for you to realize your own event – whether it is an awards ceremony, a product presentation or a show act.

Too many large-scale numbers? We can also cater to smaller events and customize a perfect concept. Please contact us – in collaboration with you, we can expertly stage your event, if required also simultaneously or separately.
