The diagram illustrates the layout of the Heimathafen facility. A central horizontal pink corridor runs across the middle. To the left of this corridor, there is a large pink vertical bar. To the right, there is a pink vertical bar and a large pink rectangular area at the bottom right. Various functional areas are represented by dark blue rectangles with white text. Above the central corridor, from left to right, are the 'Eventspace', 'Co-Lab', and 'Kohle-keller'. Below the corridor, from left to right, are the 'Gefängniszellen' and 'Teamoffice Heimathafen'. To the right of the corridor, there is an 'Eco-system Track' and a large 'Impact Track' at the bottom right. A small question mark '?' is located to the right of the 'Co-Lab' area.
