A spaciouly laid out pool area offering bathing fun and recreation awaits you. As well as an infants' area, outdoor pool and water slide, a snack bar and clothed sauna are available for you to use. Our exclusive sauna area measuring 700 square metres with four different saunas ensures pure relaxation. You can enjoy the unique atmosphere in our lounge area and indulge in some tasty treats from our bistro. The relaxation room allows you to close your eyes for a moment. From the large roof terrace, which includes sunbeds and hot tubs, you can take in the fantastic view of Dümmer Lake.

'Lykkeland' indoor playground

The play paradise Lykkeland (meaning 'Land of Happiness' in Danish) not only gets children's hearts racing but also offers plenty of action for youngsters and adults, e.g. with challenging climbing walls. Rumbling tummies can be satisfied straight away by the range of culinary options there.

Bike & water sports equipment hire

Do you want to burn off energy around or on the lake? Both are possible here. You can explore the beautiful and varied landscape along Dümmer Lake by bike or e-bike. Of course, we offer bikes for small guests too. If you don't have a bicycle helmet in your luggage, that's no problem – we'll be glad to help out. If you want to enjoy the view from Dümmer Lake, you can do so from a pedalo, kayak or SUP board. To each his own!

Skate park

At the heart of the park is a skateboarding track for beginners and advanced skateboarders. Skateboards, inline skates, BMX bikes and stunt scooters are among the daily visitors. Several types of ball sports can be played in the multi-functional arena right in the middle. And much more...
