## „Sustainable Partner“

### Motorwerk Berlin

---

has been audited independently and transparently and is certified  
in the sector **Venue** as a **Sustainable Partner** in the category

### Leader

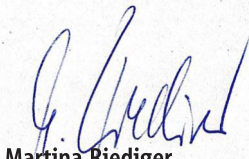

The basis for the audit is a comprehensive, process-oriented catalog of 65 criteria that was developed together with experts and representatives of the industry in a profound and participative process. The criteria catalog is based on recognized frameworks and holds the international distinction "GSTC recognized", as it has been recognized by the global umbrella organization for sustainability standards in tourism - Global Sustainable Tourism Council. It is not a checklist, but a sophisticated sustainability management system that makes it possible to anchor and also further develop corporate sustainability as well as a continuous improvement process. Sustainability performance was reviewed in the following four fields:

- Governance, Risk & Compliance
- Business
- Environment
- Society
