

# GROUND FLOOR

# 1ST FLOOR

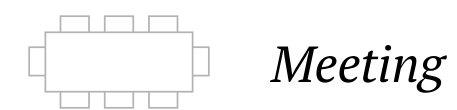

# 2ND FLOOR

*The first floor gives access to the studio's main areas with ceiling height of up to nine meters, generous panoramic windows and a fire place. Take the stairs to the second floor to access a custom-made, fully equipped kitchen. The third floor is a gallery floor with access to two roof terraces. The concept of the studio provides a space of personal individuality, so the rooms can be accommodated for special needs and requirements.*
